SafeRide is a point-to-point, on-demand van service which works to help ensure safe travel around campus and adjacent areas at night after most regular daytime service has ended. It also operates in conjunction with the bus system to connect you with evening bus routes for travel away from campus. Simply call 252-328-7433 and speak with a dispatcher to arrange a pick up. Please note: dispatchers cannot schedule rides ahead of time, an ECU 1 Card is required (one guest per valid ID).

service area

Vans operate in a limited area designed to supplement the bus system at night. Service focuses on main campus, Health Sciences Campus and other outlying ECU properties. Limited residential areas adjacent to these locations are included.

service schedule

SafeRide operates while classes are in session; any exceptions are included in the service calendar online. Normal operating hours are:

Sunday - Wednesday: 6:30pm - 12:00am
Thursday - Saturday: 6:30pm - 2:00am
